Simmel Concerts and RCI Global presents **Hans Zimmer Live** Europe Tour 2022

The "Hans Zimmer Live - Europe Tour" was postponed from 2021 to 2022.

Following a world tour which drew over one million fans to arenas, stadiums and open air sites, Oscar, Grammy and Golden Globe Award-winning composer Hans Zimmer returns to the stage for a major new arena tour through Europe in 2022. It will be a new show with Zimmer joined by his band and an orchestra, to perform hit compositions from fan favorite films as well as newer material. Additionally, Zimmer will perform pieces not often performed live.

Hans Zimmer has created some of the best-known and most influential film scores of our time and has reinvented the format for live film music performance.

The audience can expect another lavish set of performances in 2022. Zimmer's previous show "Hans Zimmer Live", which ran from 2014 - 2019, surprised both: audiences and critics. Instead of a maestro or projected film scenes, Hans Zimmer took centre stage as musician and host alongside an orchestra, choir and band, allowing listeners to completely immerse themselves in his much-loved film soundtracks.

With the "Hans Zimmer Live - Europe Tour 2022" the popular film composer is back live on stage by popular demand.

About Hans Zimmer:

HANS ZIMMER has scored more than 200 projects across all mediums, which, combined, have grossed more than 28 billion dollars at the worldwide box office and earned him an Academy Award®, three Golden Globes®, three Grammys®, an American Music Award and a Tony® Award. Zimmer's work highlights over the past few years include WIDOWS, which reteamed the composer with director Steve McQueen after previously working together on the critically acclaimed 12 YEARS A SLAVE; BLADE RUNNER 2049 which he co-scored alongside Benjamin Wallfisch and earned Grammy, BAFTA and Critics' Choice nominations for Best Score; and Christopher Nolan's DUNKIRK which earned him nominations for an Academy Award, Grammy Award, Golden Globe, BAFTA Award, and Critics' Choice Award. Other notable scores of Zimmer's include GLADIATOR, THE THIN RED LINE, AS GOOD AS IT GETS, RAIN MAN, THE DARK KNIGHT trilogy, INCEPTION, THELMA AND LOUISE, BLACK HAWK DOWN and THE LAST SAMURAI. Zimmer's 2021 films included the James Bond film NO TIME TO DIE and Denis Villeneuve's DUNE, the latter of which earned him significant praise and multiple recognitions including receiving his third Golden Globe Award, Grammy Award and Critics Choice Award nominations, as well as other critics circles across the globe, and his scores for both DUNE and NTTD were included among BAFTA's long list. Composing the score for *Dune* was a lifelong dream for Hans. When it came time to make that dream a reality, he spent months creating new instruments, defining, creating, and seeking new sounds, pushing the envelope. Based on mainly female voices, the masterful score elevates the soul and is completely immersive. In addition to the film score, there were three separate album releases of music from and in celebration of *Dune* starting September 3 – *The Dune Sketchbook (Music from the Soundtrack)*, *Dune (Original Motion Picture Soundtrack)* and *The Art and Soul of Dune*. His upcoming releases include the highly anticipated TOP GUN: MAVERICK. Zimmer
